

# 1/4" INTERMITTENT DUTY BOX STYLE PUMP

## 1/4" INTERMITTENT DUTY BOX STYLE PUMP

Reliable polypropylene air section combined with a wide array of casing materials and elastomers ensure maximum chemical compatibility. Ideal for low volume clean fluids transfer applications.

- Suitable for Clean Fluids Transfer
- Compact Box Style Design
- Intermittent Duty Non-Metallic Air Section
- Muffler Included

## SPECIFICATIONS

Dimension	
Physical Dimensions	See Drawing Page 73
Air Inlet	1/4"
Liquid Inlet	1/4"
Liquid Outlet	1/4"
Weight	See Product Tables
Performance	
Maximum Flow	4.3 gpm (16.3 lpm)
Maximum Air Pressure	100 psi (6.8 bar)
Maximum Solids	1/16" (1.6 mm)
Max Suction Lift Dry	17 ft (5.0 m)
Max Suction Lift Wet	26 ft (7.9 m)
Max Temperature	See Product Tables
Noise Level (with muffler)	86 dBA

PERFORMANCE CURVE (Based on water-flooded suction)
